Thank you and Welcome

The board would like to take this opportunity to thank Gregg Potter for his years of service and commitment to the community. Gregg has put in countless hours on the beautification committee and along with Sandor Drobilisch was instrumental in completing the replacement of the street signs through out the community. Thanks Gregg.

Also, thanks to Kerry Roller for volunteering many hours to work with the LAFCO issue and CC&R committee. Both of these issues continue to be debated and will be assigned to future directors. Thank you Kerry.

Welcome to our newest member, Harris Hall who joined the board this month for his first term.
